

THE TEMPLE UNIVERSITY
PHILADELPHIA

OFFICE OF THE DEAN
OF THE UNIVERSITY CORPORATION

December 17, 1910.

Hon. J. Hampton Moore,
House of Representatives,
Washington, D. C.

My dear Mr. Moore:-

As a member of the International Child Labor Committee I am personally very much interested in the passage of H.R. Bill No. 27068 for the establishment in the department of Commerce and Labor of a bureau to be known as the Children's Bureau.

In the educational work at Temple University with which I am associated I can see the need for some central organization which will be at least an advisory body concerning all matters relating to the welfare of the child. There is so much money and effort wasted in scattered undertakings for the child, that the need of intelligent directorship is very great. Myself and those associated with me will greatly appreciate your interest in this matter.

Very truly yours,

Laura H. Carver
Dean.
