Enrolled Act No 55 Council of Wyoming {Territory}.

To the Honorable the Senate and House of Representatives of the United States in Congress Assembled

Your memorialists the Legislative Assembly of the Territory of Wyoming would most respectfully represent that an error occurred in the Act of Congress making appropriation to pay the members and officers of the Sixth Legislative Assembly of this Territory by which the members of the Council and House of Representatives were not paid but four dollars per day each at the close of the session of said Sixth Legislative Assembly and the Officers were not paid the full amount due them, That by a subsequent Act of Congress the members of the Council and House of Representatives of said Sixth Legislative Assembly were allowed and paid an additional sum of two dollars per day to which they were entitled, but that no provision was made by said subsequent Act of Congress to pay the Officers of the Council and House of Representatives of said sixth Legislative Assembly of Wyoming Territory the several amounts due said Officers by reason of the error made in making the estimate for the pay of the expenses of said Sixth Legislative Assembly.

Your Memorialists would therefore respectfully ask that an appropriation be made at the present session of Congress sufficient to pay the Officers of said sixth Legislative Assembly the several amounts due and unpaid to them as will be found correct by reference to the several acts of Congress in reference to the pay of the Members and Officers of said sixth Legislative Assembly of Wyoming Territory and as in duty bound your memorialists will ever pray.

Be it resolved by the Council and House of Representatives of the Territory of Wyoming that the Secretary of Wyoming Territory is hereby requested and instructed to furnish {Honorable} M.E. Post our Delegate in Congress with duplicate certified copies of this Memorial and resolution for the purpose of properly presenting the same to both Houses of Congress for its consideration.

Signed {William} I. Lane
