For the information of the House, such report shall—

(1) state the total amount of additional funds to be provided to the committee, commission, or other entity under the supplemental expense resolution and the purposes for which those additional funds are available; and

(2) state the reasons for the failure to procure the additional funds for the committee, commission, or other entity by means of the primary expense resolution.

(c) The preceding provisions of this clause do not apply to—

(d) Payments under this clause shall be made on vouchers authorized by the committee involved, signed by the chair of the committee, except as provided in paragraph (e), and approved by the Committee on House Administration.

(g)(1) The select committee may disclose publicly any information in its possession after a determination by the select committee that the public interest would be served by such disclosure. With respect to the disclosure of information, the select committee requires action by the select committee—

Open meetings and hearings

(g)(1) Each meeting for the transaction of business, including the markup of legislation, by a standing committee or subcommittee thereof (other than the Committee on Ethics or its subcommittees) shall be open to the public, including to radio, television, and still photography coverage, except when the committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of the meeting on that day shall be in executive session because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, would tend to defame, degrade, or incriminate any person, or otherwise would violate a law or rule of the House. Persons, other than members of the committee and such noncommittee Members, Delegates, Resident Commissioner, congressional staff, or departmental representatives as the committee may authorize, may not be present at a business or markup session that is held in executive session.

This subparagraph does not apply to open committee hearings, which are governed by clause 4(a)(1) of rule X or by subparagraph (2).

(2)(A) Each hearing conducted by a committee or subcommittee (other than the Committee on Ethics or its subcommittees) shall be open to the public, including to radio, television, and still photography coverage, except when the committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger national security; would compromise sensitive law enforcement information, or would violate a law or rule of the House.

(B) Notwithstanding the requirements of subdivision (A), in the presence of the number of members required under the rules of the com-
mittee for the purpose of taking testimony, a majority of those present may—

(i) agree to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger national security, would compromise sensitive law enforcement information, or would violate clause 2(k)(5); or

(ii) agree to close the hearing as provided in clause 2(k)(5).

(C) A Member, Delegate, or Resident Commissioner may not be excluded from nonparticipatory attendance at a hearing of a committee or subcommittee—other than the Committee on Ethics or its subcommittees—unless the House by majority vote authorizes a particular committee or subcommittee, in accordance with such committee or subcommittee’s (other than the Committee on Ethics or its subcommittees) rules, to exclude from attendance at a hearing of such committee or subcommittee, a particular member or member of the committee or subcommittee, for purposes of a particular series of hearings on a particular article or legislation or on a particular subject of investigation, to close its hearings to Members, Delegates, and the Resident Commissioner by the same procedures specified in this subparagraph for closing hearings to the public.

(D) The committee or subcommittee may vote by the same procedure described in this subparagraph to close one subsequent day of hearing, except that the Committee on Appropriations, the Committee on Armed Services, and the Permanent Select Committee on Intelligence, and the subcommittees thereof, may vote by the same procedure to close up to five additional, consecutive days of hearings.

(3)(A) The chair of a committee shall announce the date, place, and subject matter of—

(i) a committee hearing, which may not commence earlier than one week after such notice; or

(ii) a committee meeting, which may not commence earlier than the third day on which members have notice thereof.

(B) A hearing or meeting may begin sooner than specified in subdivision (A) in either of the following circumstances—

(i) the chair of the committee, with the concurrence of the ranking minority member, determines that there is good cause; or

(ii) the committee so determines by majority vote in the presence of the number of members required under the rules of the committee for the transaction of business.

(C) An announcement made under this subparagraph shall be published promptly in the Daily Digest and made publicly available in electronic form.

(D) This subparagraph and subparagraph (B) made within 24 hours before such meeting, the chair of the committee shall cause the text of such legislation to be made publicly available in electronic form.

(5) Each committee shall, to the greatest extent practicable, require witnesses who appear before it to submit in advance written statements of proposed testimony and to limit their initial presentations to the committee to brief summaries thereof. In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall include a curriculum vitae and a disclosure of the amount and source (by agency and program) of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two previous fiscal years by the witness or by an entity represented by the witness. Such statements, with appropriate redactions to protect the privacy of the witness and any other entity represented by the witness, shall be made publicly available in electronic form not later than one day after the witness appears.

(6)(A) Except as provided in subdivision (B), a point of order does not lie with respect to a measure reported by a committee on the ground that hearings on such measure were not conducted in accordance with this clause.

(B) A point of order on the ground described in subdivision (A) may be made by a member of the committee that reported the measure if such point of order was timely made and improperly disposed of in the committee.

(7) This paragraph does not apply to hearings of the Committee on Appropriations under clause 4(a)(1) of rule X.

Quorum requirements

(h)(1) A measure or recommendation may not be reported by a committee unless a majority of the committee is actually present.

(2) Each committee may fix the number of its members to constitute a quorum for taking testimony and receiving evidence, which may not be less than two.

(3) Each committee (other than the Committee on Appropriations, the Committee on the Budget, and the Committee on Ways and Means) may fix the number of its members to constitute a quorum for taking action other than one for which the presence of a majority of the committee is otherwise required, which may not be less than one-third of the members.

(4)(A) Each committee may adopt a rule authorizing the chair of a committee or subcommittee—

(i) to postpone further proceedings when a record vote is ordered on the question of approving a measure or matter or on adopting an amendment; and

(ii) to resume proceedings on a postponed question at any time after reasonable notice.

(B) A rule adopted pursuant to this subparagraph shall provide that when proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

Limitation on committee settings

(i) A committee may not sit during a joint session of the House and Senate or during a recess when a joint meeting of the House and Senate is in progress.

Calling and questioning of witnesses

(j)(1) Whenever a hearing is conducted by a committee on a measure or matter, the minority members of the committee shall be entitled, upon request to the chair by a majority of them before the completion of the hearing, to call witnesses selected by the majority of the committee to testify with respect to that measure or matter during at least one day of hearing thereon.

(2)(A) Subject to subdivisions (B) and (C), each committee shall apply the five-minute rule during the questioning of witnesses in a hearing until such time as each member of the committee who so desires has had an opportunity to question each witness.

(B) A committee may adopt a rule or motion permitting a specified number of its members to question a witness for longer than five minutes. The time for extended questioning of a witness under this subdivision shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

(C) A committee may adopt a rule or motion permitting committee staff for its majority and minority party members to question a witness for equal specified periods. The time for extended questioning of a witness under this subdivision shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

Hearing procedures

(k)(1) The chair at a hearing shall announce in an opening statement the subject of the hearing.

(2) A copy of the committee rules and of this clause shall be made available to each witness on request.

(3) Witnesses at hearings may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights.

(4) The chair may punish breaches of order and decorum, and of professional ethics on the part of counsel, by suspension and exclusion from the hearings; and the committee may cite the offender to the House for contempt.

(5) Whenever it is asserted by a member of the committee that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness—
(A) notwithstanding paragraph (g)(2), such testimony or evidence shall be presented in executive session if, in the presence of the number of members required under the rules of the committee, the committee determines by vote of a majority of those present that such evidence or testimony may tend to defame, degrade, or incriminate any person; and

(B) the committee shall proceed to receive such testimony in open session only if the committee, a majority being present, determines that such evidence or testimony will not tend to defame, degrade, or incriminate any person.

In either case the committee shall afford such person an opportunity voluntarily to appear as a witness, and receive and dispose of requests from such person to subpoena additional witnesses.

(8) Except as provided in subparagraph (5), the chair shall receive and the committee shall dispose of requests to subpoena additional witnesses.

(7) Evidence or testimony taken in executive session, and proceedings conducted in executive session, may be released or used in public sessions only when authorized by the committee, a majority being present.

(8) In the discretion of the committee, witnesses may submit brief and pertinent statements in writing for inclusion in the record. The committee is the sole judge of the pertinence of testimony and evidence adduced at its hearing.

(9) A witness may obtain a transcript copy of the testimony of such witness given at a public session or, if given at an executive session, when authorized by the committee.

Supplemental, minority, or additional views
(1) If at the time of approval of a measure or matter by a committee (other than the Committee on Rules) a member of the committee gives notice of intention to file supplemental, minority, or additional views for inclusion in the report to the House thereon, that member shall be entitled to not less than two additional calendar days after the day of such notice (excluding Saturdays, Sundays, and legal holidays except when the House is in session on such a day) to file such views, in writing and signed by that member, with the clerk of the committee.

Power to sit and act; subpoena power
(m)(1) For the purpose of carrying out any of its functions and duties under this rule and rule X (excluding any matters referred to it under clause 2 of rule XXIII), a committee or subcommittee is authorized (subject to subparagraph (3)(A))—

(A) to sit and act at such times and places within the United States, whether the House is in session, has recessed, or has adjourned, and to hold such hearings as it considers necessary; and

(B) to require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memoranda, papers, and documents as it considers necessary.

(2) The committee may hold at least one hearing in any session in which the House is in session, has recessed, or has adjourned, and to

A letter of reproof or other administrative action of the committee pursuant to investigation under subparagraph (2) shall only be issued or implemented as a part of a report required by such subparagraph.

(2) The committee may investigate, subject to paragraph (b), an alleged violation by a Member, Delegate, Resident Commissioner, officer, or employee of the House of the Code of Official Conduct or of a law, rule, regulation, or other standard of conduct applicable to the conduct of such Member, Delegate, Resident Commissioner, officer, or employee, the committee shall report to the House its findings of fact and recommendations, if any, for the final disposition of any such investigation and such action as the committee may consider appropriate in the circumstances.

(3) The committee may report to the appropriate Federal or State authorities, either with the approval of the House or by a majority vote of two-thirds of the members of the committee, any substantial evidence of a violation by a Member, Delegate, Resident Commissioner, officer, or employee of the House, of a law applicable to the performance of the duties or the discharge of the responsibilities of such individual. After notice and hearing (unless the right to a hearing is waived by the Member, Delegate, Resident Commissioner, officer, or employee), the committee shall report to the House its findings of fact and recommendations, if any, for the final disposition of any such investigation and such action as the committee may consider appropriate in the circumstances.

(4) The committee may consider the request of a Member, Delegate, Resident Commissioner, officer, or employee of the House for an advisory opinion with respect to the general propriety of any current or proposed conduct of such Member, Delegate, Resident Commissioner, officer, or employee. With appropriate delegations to ensure the privacy of the person concerned, the committee may publish such opinion for the guidance of other Members, Delegates, the Resident Commissioner, officers, and employees of the House.

(5) The committee may consider the request of a Member, Delegate, Resident Commissioner, officer, or employee of the House for a written waiver in exceptional circumstances with respect to clause 4 of rule XXIII.
(6)(A) The committee shall offer annual ethics training to each Member, Delegate, Resident Commissioner, officer, and employee of the House. Such training shall—

(i) Include the classes of employees for whom the committee determines such training to be appropriate; and

(ii) Include such knowledge of the Code of Official Conduct and related House rules as may be determined appropriate by the committee.

(B)(i) A new officer or employee of the House shall receive training under this paragraph not later than 60 days after beginning service to the House.

(ii) Not later than January 31 of each year, each officer and employee of the House shall file a certification with the committee that the officer or employee attended ethics training in the last year as established by this subparagraph.

(b)(1)(A) Unless approved by an affirmative vote of a majority of its members, the Committee on Ethics may not report a resolution, report, recommendation, or advisory opinion relating to the official conduct of a Member, Delegate, Resident Commissioner, officer, or employee of the House, or, except as provided in subparagraph (2), undertake an investigation of such conduct.

(B)(i) Upon the receipt of information offered as a complaint that is in compliance with this rule and the rules of the committee, the chair and ranking minority member jointly may appoint members to serve as an investigative subcommittee.

(ii) The chair and ranking minority member of the committee jointly may gather additional information concerning alleged conduct that is the basis of a complaint or of information offered as a complaint until they have established an investigative subcommittee or either of them has placed on the agenda of the committee the issue of whether to establish an investigative subcommittee.

(2) Except in the case of an investigation undertaken by the committee on its own initiative, the committee may undertake an investigation relating to the official conduct of an individual Member, Delegate, Resident Commissioner, officer, or employee of the House only—

(A) upon receipt of information offered as a complaint, in writing and under oath, from a person not a Member, Delegate, or Resident Commissioner provided that a Member, Delegate, or Resident Commissioner certifies in writing to the committee that such Member, Delegate, or Resident Commissioner believes the information is submitted in good faith and warrants the review and consideration of the committee; or

(C) upon receipt of a report regarding a referral from the Office of Congressional Ethics.

If a complaint is not disposed of within the applicable periods set forth in the rules of the Committee on Ethics, the committee determines that the alleged violation occurred before the third previous Congress unless the committee determines that the alleged violation is directly related to an alleged violation that occurred in a more recent Congress.

(3) The committee may not undertake an investigation of an alleged violation of a law, rule, regulation, or standard of conduct that was not in effect at the time of the alleged violation. The committee may not undertake an investigation of such an alleged violation that occurred before the third previous Congress unless the committee determines that the alleged violation is directly related to an alleged violation that occurred in a more recent Congress.

(4) A member of the committee shall be ineligible to participate as a member of the committee in a committee proceeding relating to the member's official conduct. Whenever a member of the committee is ineligible to act as a member of the committee under the preceding sentence, the Speaker shall designate a Member, Delegate, or Resident Commissioner from the same political party as the ineligible member to act in any proceeding of the committee relating to that conduct.

(5) A member of the committee may seek disqualification from participating in an investigation of the conduct of a Member, Delegate, Resident Commissioner, officer, or employee of the House upon the submission in writing and under oath of an affidavit of disqualification stating that the member cannot render an impartial and unbiased decision in the case in which the member seeks to be disqualified. If the committee approves and accepts such affidavit of disqualification, the chair shall so notify the Speaker and request the Speaker to designate a Member, Delegate, or Resident Commissioner from the same political party as the disqualifying member to act in any proceeding of the committee relating to that case.

(6) Information or testimony received, or the contents of a complaint or the fact of its filing, may not be publicly disclosed by any committee or staff member unless specifically authorized in each instance by a vote of the full committee.

(7) The committee shall have the functions designated in titles I and V of the Ethics in Government Act of 1978, in sections 7342, 7351, and 7353 of title 5, United States Code, and in clause (4) of rule X.

(8)(A) Except as provided by subdivisions (B), (C), and (D), not later than 45 calendar days or 5 legislative days, whichever is later, after receipt of a written report and any findings and supporting documentation regarding a referral from the board of the Office of Congressional Ethics or of a referral of the matter from the board pursuant to a request under paragraph (r), the chair of the Committee on Ethics shall make public the written report and findings of the board unless the chair and ranking member, acting jointly, decide or the committee votes to withhold such information for not more than an additional period of time of similar duration, in which case the chair shall—

(i) upon the termination of such additional period, make public the written report and findings; and

(ii) upon the day of such decision or vote, make a public record that the committee has voted to extend the matter relating to the referral made by the board of the Office of Congressional Ethics regarding the Member, officer, or employee of the House who is the subject of the applicable referral.

At least one calendar day before the committee makes public any written report and findings of the board, the chair shall notify such board and the applicable Member, officer, or employee of that fact and transmit to such individual a copy of the statement on the committee's disposition of, and any committee report on, the matter.

(B)(i) Notwithstanding subdivision (A), if the committee dismisses a matter which is the subject of a referral from the board of the Office of Congressional Ethics, the committee is not required to make public the written report and findings described in such subdivision unless the committee's vote is inconsistent with the recommendation of the board. For purposes of the previous sentence, a vote by the committee to dismiss a matter is not inconsistent with a report from the board respecting the matter as unresolved due to a tie vote.

(ii) Notwithstanding subdivision (A)(ii), if the board transmits a report respecting any matter with a recommendation to dismiss or as unresolved due to a tie vote, and the committee votes to extend the matter for an additional period as provided in subdivision (A), the committee is not required to make a public statement that the committee has voted to extend the matter.

(iii) Except as provided by subdivision (E), if the committee establishes an investigative subcommittee respecting any such matter, then the report and findings of the board shall not be made public until the conclusion of the investigative subcommittee process.
and the committee shall issue a public statement of the establishment of an investigative subcommittee, which statement shall include the name of the applicable Member, officer, or employee, the report and upon the expiration of the Congress in which the report is made public, the committee shall make public any findings.

(C)(i) If, after receipt of a written report and any findings and supporting documentation regarding a referral from the board of the Office of Congressional Ethics or of a referral of the matter from the board pursuant to a request under paragraph (r), the committee agrees to a request from an appropriate law enforcement or regulatory authority to defer taking action on the matter—

(I) notwithstanding subdivision (A)(i), the committee is not required to make public the written report and findings described in such subdivision, except that if the recommendation of the board with respect to the report is that the matter requires further review, the committee shall make public the written report but not the findings; and

(II) before the end of the first day (excluding Saturdays, Sundays, and public holidays) after the day that the committee agrees to the request, the committee shall make a public statement that it is deferring taking action on the matter at the request of such authority.

(ii) up to the expiration of the one-year period that begins on the date the committee makes the public statement described in item (I)(II), the committee has not acted on the matter, the committee shall make a new public statement that it is still deferring taking action on the matter, and shall make a new statement upon the expiration of each succeeding one-year period during which the committee has not acted on the matter.

(D) The committee may not receive any referral from the board of the Office of Congressional Ethics within 60 days before a Federal, State, or local election in which the subject of the referral is a candidate. The committee may delay any reporting requirement under this subparagraph with respect to a referral from the board of the Office of Congressional Ethics, the vote of the committee is a tie or the committee fails to act, the report and the findings of the board shall be made public by the committee, along with a public statement by the chair explaining the status of the matter.

(c)(1) Notwithstanding clause 2(g)(1) of rule XI, each meeting of the Committee on Ethics or a subcommittee thereof shall occur in executive session unless the committee or subcommittee, by an affirmative vote of a majority of its members, opens the meeting to the public.

(2) Notwithstanding clause 2(g)(2) of rule XI, each hearing of an adjudicatory subcommittee or sanction hearing of the Committee on Ethics shall be held in open session unless the committee or subcommittee, in open session by an affirmative vote of a majority of its members, closes all or part of the remainder of the hearing on that day to the public.

(d) Before a member, officer, or employee of the Committee on Ethics, including members of a subcommittee of the committee selected under clause 5(a)(4) of rule X and shared staff, may have access to information that is confidential under the rules of the committee, the following oath (or affirmation) shall be executed:

"I do solemnly swear (or affirm) that I will not disclose, to any person or entity outside the Committee on Ethics, any information received in the course of my service with the committee, except as authorized by the committee or in accordance with its rules."

Copies of the executed oath shall be retained by the Clerk as part of the records of the House. This paragraph establishes a standard of conduct within the meaning of paragraph (a)(2).

Breaches of confidentiality shall be investigated by the Committee on Ethics and appropriate action shall be taken.

(e)(1) If a complaint or information offered to a committee is deemed frivolous by an affirmative vote of a majority of the members of the Committee on Ethics, the committee may take such action as it, by an affirmative vote of a majority of its members, considers appropriate in the circumstances.

(2) Complaints filed before the One Hundred Fifth Congress may not be deemed frivolous by the Committee on Ethics.

(F) no member of the staff or outside counsel may make public, unless approved by an affirmative vote of a majority of the members of the committee, any information, document, or other material that is confidential, derived from executive session, or classified and that is obtained during the course of employment with the committee.

(2) Only subdivisions (C), (E), and (F) of subparagraph (1) shall apply to shared staff.

(3)(A) All staff members shall be appointed by an affirmative vote of a majority of the members of the committee. Such vote shall occur at the first meeting of the membership of the committee during each Congress and as necessary during the Congress.

(B) Subject to the approval of the Committee on House Administration, the committee may retain counsel not employed by the House of Representatives whenever the committee determines, by an affirmative vote of a majority of the members of the committee, that the retention of outside counsel is necessary and appropriate.

(C) If the committee determines that it is necessary to retain staff members for the purpose of a particular investigation or other proceeding, then such staff shall be retained only for the duration of that particular investigation or proceeding.

(D) Outside counsel may be dismissed before the end of a contract between the committee and such counsel only by an affirmative vote of a majority of the members of the committee.

(4) In addition to any other staff provided for by law, rule, or other authority, with respect to the committee, the committee may appoint one individual as a shared personal staff member from the respective personal staff of the chair or ranking minority member to perform service for the committee. Such shared staff may assist the chair or ranking minority member on any subcommittee on which the chair or ranking minority member serves.

(h)(1) The committee shall adopt rules providing that—

(A) all meetings or hearings of the committee or any subcommittee thereof, other than any hearing held by an adjudicatory subcommittee or any sanction hearing held by the
committee, shall occur in executive session unless the committee or subcommittee by an affirmative vote of a majority of its members opens the meeting or hearing to the public; and (B) any hearing held by an adjudicatory subcommittee or any sanction hearing held by the committee shall be open to the public unless the committee or subcommittee by an affirmative vote of a majority of its members closes the hearing to the public.

(1) The committee shall adopt rules regarding complaints to provide that whenever information offered as a complaint is submitted to the committee, the chair and ranking minority member shall have 14 calendar days or five legislative days, whichever is sooner, to determine whether the information meets the requirements of the rules of the committee for what constitutes a complaint.

**Duties of chair and ranking minority member regarding information not constituting a complaint**

(1) The committee shall adopt rules providing that whenever the chair and ranking minority member jointly determine that information submitted to the committee does not meet the requirements of the rules of the committee for what constitutes a complaint, they may—

(1) return the information to the complainant with a statement that it fails to meet the requirements of the rules of the committee for what constitutes a complaint; or

(2) recommend to the committee that it authorize the establishment of an investigative subcommittee.

**Investigative and adjudicatory subcommittees**

(m) The committee shall adopt rules providing that—

(1) (A) an investigative subcommittee shall be composed of four Members (with equal representation from the majority and minority parties) whenever such a subcommittee is established pursuant to the rules of the committee;

(B) an adjudicatory subcommittee shall be composed of the members of the committee who did not serve on the pertinent investigative subcommittee (with equal representation from the majority and minority parties) whenever such a subcommittee is established pursuant to the rules of the committee; and

(C) notwithstanding any other provision of this clause, the chair and ranking minority member of the committee may consult with an investigative subcommittee either on their own initiative or on the initiative of the subcommittee, shall have access to information before a subcommittee with which they so consult, and shall not thereby be precluded from serving as full, voting members of any adjudicatory subcommittee;

(2) at the time of appointment, the chair shall designate one member of a subcommittee to serve as chair and the ranking minority member shall designate one member of the subcommittee to serve as the ranking minority member; and

(3) the chair and ranking minority member of the committee may serve as members of an investigatory subcommittee, but may not serve as non-voting, ex officio members.

(1) not less than 10 calendar days before a scheduled vote by an investigatory subcommittee on a statement of alleged violation, the subcommittee shall provide the respondent with a copy of the statement of alleged violation it intends to adopt together with all evidence it intends to use to prove those charges which it intends to adopt, including documentary evidence, witness testimony, memoranda of witness interviews, and physical evidence, unless the subcommittee finds that a full, affirmative vote of a majority of its members decides to withhold certain evidence in order to protect a witness; but if such evidence is withheld, the subcommittee shall inform the respondent that evidence is being withheld.

the committee if the respondent
has waived the adjudicatory hear-
ing;
or
(B) the commencement of an ad-
judicatory hearing if the respond-
ent has not waived an adjudicatory
hearing;
but the failure of respondent and the

preclude the issuance of a statement
of alleged violation at the end of the

Committee reporting requirements
(q) The committee shall adopt rules
to provide that—
(1) whenever an investigative sub-

committee, the committee may by
an affirmative vote of a majority of
its members transmit such report to
the House of Representatives;
(2) whenever an investigative sub-
committee adopts a statement of al-
leged violation, the respondent ad-

(1) there shall be a call of the House;

(2) the Sergeant-at-Arms shall proceed forthwith to bring in absent Members; and

(3) the yeas and nays on the pending question shall at the same time be considered as ordered.

(b) The Clerk shall record Members by the yeas and nays on the pending question, using such procedure as the Speaker may invoke under clause 2, 3, or 4. Each Member arrested under this clause shall be brought by the Sergeant-at-Arms before the House, whereupon the Member shall be noted as present, discharged from arrest, and given an opportunity to vote; and such vote shall be recorded. If those voting on the question and those who are present and decline to vote together make a majority of the House, the Speaker shall declare that a quorum is constituted, and the pending question shall be decided as the requisite majority of those voting shall have determined. Thereupon further proceedings under the call shall be considered as dispensed with.

(c) At any time after Members have had the requisite opportunity to respond by the yeas and nays ordered under this clause, but before a result has been announced, a motion that the House adjourn shall be in order if seconded by a majority of those present, to be ascertained by actual count by the Speaker. If the House adjourns on such a motion, all proceedings under this clause shall be considered as vacated.

7. (a) The Speaker may not entertain a point of order that a quorum is not present unless a question has been put to a vote.

(b) Subject to paragraph (c) the Speaker may recognize a Member, Delegate, or Resident Commissioner to move a call of the House at any time. When a quorum is established pursuant to a call of the House, further proceedings under this subsection shall be considered as dispensed with unless the Speaker recognizes for a motion to compel attendance of Members under clause 5(b).

(c) A call of the House shall not be in order after the previous question is ordered on, unless the Speaker determines by actual count that a quorum is not present.

Postponement of proceedings

8. (a)(1) When a recorded vote is ordered, or the yeas and nays are or-
dered, or a vote is objected to under clause 6—

(A) on any of the questions specified in subparagraph (2), the Speaker may postpone further proceedings to a designated place in the legislative schedule within two additional legislative days; and

(B) on the question of agreeing to the Speaker’s approval of the Journal, the Speaker may postpone further proceedings to a designated place in the legislative schedule on that legislative day.

(2) The questions described in subparagraph (1) are as follows:

(A) The question of passing a bill or joint resolution.

(B) The question of adopting a resolution or concurrent resolution.

(C) The question of agreeing to a motion to instruct managers on the part (except that proceedings may not resume on such a motion under clause 7 of rule XXII if the managers have filed a report in the House).

(D) The question of agreeing to a conference report.

(E) The question of ordering the previous question on a question described in subdivision (A), (B), (C), or (D).

(F) The question of agreeing to a motion to suspend the rules.

(G) The question of agreeing to a motion to reconsider or the question of agreeing to a motion to lay on the table a motion to reconsider.

(H) The question of agreeing to an amendment reported from the Committee of the Whole.

(b) At the time designated by the Speaker for further proceedings on questions postponed under paragraph (a), the Speaker shall resume proceedings on each postponed question.

(c) The Speaker may reduce to five minutes the minimum time for electronic voting on a question postponed under this clause, or on a question incidental thereto, that follows another electronic vote without intervening business, so long as the minimum time for electronic voting on the first in any series of questions is 15 minutes.

(d) If the House adjourns on a legislative day designated for further proceedings on questions postponed under this clause without disposing of such questions, then on the next legislative day the unfinished business is the disposition of such questions.

Five-minute votes

9. The Speaker may reduce to five minutes the minimum time for electronic voting on any question arising without intervening business after an electronic vote on another question if notice of possible five-minute voting for a given series of votes was issued before the preceding electronic vote.

Automatic yeas and nays

10. The yeas and nays shall be considered as ordered when the Speaker puts the question on passage of a bill or joint resolution, or on adoption of a conference report, making general appropriations, or increasing Federal income tax rates (within the meaning of clause 5 of rule XXI), or on final adoption of a concurrent resolution on the budget or on the conference report thereon.

Ballot votes

11. In a case of ballot for election, a majority of the votes shall be necessary to an election. When there is not such a majority on the first ballot, the process shall be repeated until a majority is obtained. In all balloting blanks shall be rejected, may not be counted in the enumeration of votes, and may not be reported by the tellers.

RULE XXXI

RESTRICTIONS ON CERTAIN BILLS

Reservation of certain points of order

1. At the time a general appropriation bill is reported, all points of order against provisions therein shall be considered as reserved.

General appropriation bills and amendments

2. (a)(1) An appropriation may not be reported in a general appropriation bill, and may not be in order as an amendment thereto, for an expenditure not previously authorized by law, except to continue appropriations for public works and objects that are already in progress.

(b) A reappropriation of unexpended balances of appropriations may not be reported in a general appropriation bill, and may not be in order as an amendment thereto, except to continue appropriations for public works and objects that are already in progress. This subparagraph does not apply to transfers of unexpended balances within the department or agency for which they were originally appropriated that are reported by the Committee on Appropriations.

(c) A provision changing existing law may not be reported in a general appropriation bill, including a provision making the availability of funds contingent on the receipt or possession of information not required by existing law for the period of the appropriation, except germane provisions that retrace expenditures by the reduction of amounts of money covered by the bill (which may include those recommended to the Committee on Appropriations by direction of a legislative committee having jurisdiction over the subject matter) and except rescissions of appropriations contained in appropriation Acts.

(d) An amendment to a general appropriation bill shall not be in order if changing existing law, including an amendment making the availability of funds contingent on the receipt or possession of information not required by existing law for the period of the appropriation. Except as provided in paragraph (d), an amendment proposing a limitation not specifically contained or authorized in existing law for the period of the limitation shall not be in order during consideration of a general appropriation bill.

(e) A provision other than an appropriation designated an emergency under section 251(b)(2) or section 252(e) of the Balanced Budget and Emergency Deficit Control Act, a rescission of budget authority, or a reduction in direct spending or an amount for a designated emergency may not be reported in an appropriation bill or joint resolution containing an emergency designation under section 251(b)(2) or section 252(e) of such Act and may not be in order as an amendment thereto.

(f) During the reading of an appropriation bill for amendment in the Committee of the Whole House on the state of the Union, it shall be in order to consider en bloc amendments proposing only to transfer appropriations among objects in the bill without increasing the levels of budget authority or outlays in the bill. When considered en bloc under this paragraph, such amendments may amend portions of the bill not yet read for amendment (following disposition of any points of order against such portions) and are not subject to a demand for division of the question in the House or in the Committee of the Whole.

3. It shall not be in order to consider a general appropriation bill or joint resolution, or conference report thereon, that—

(a) provides spending authority derived from receipts deposited in the Highway Trust Fund (excluding any transfers from the General Fund of the Treasury); or

(b) reduces or otherwise limits the accruing balances of the Highway Trust Fund, for any purpose other than for those activities authorized for the highway or mass transit categories.

Appropriations on legislative bills

4. A bill or joint resolution carrying an appropriation may not be reported by a committee not having jurisdiction to report appropriations, and an amendment proposing an appropriation shall not be in order during the consideration of a bill or joint resolution reported by a committee not having that jurisdiction. A point of order against an appropriation in such a bill, joint resolution, or amendment thereto may
be raised at any time during pendency of that measure for amendment. **Tax and tariff measures and amendments**

5. (a)(1) A bill or joint resolution carrying a tax or tariff measure may not be reported by a committee not having jurisdiction to report tax or tariff measures than the amendment in the House or proposed by the Senate carrying a tax or tariff measure shall not be in order during the consideration of a bill or joint resolution reported by a committee not having that jurisdiction. A point of order against a tax or tariff measure in such a bill, joint resolution, or amendment thereto may be raised at any time during pendency of that measure for amendment.

(2) For purposes of paragraph (1), a tax or tariff measure includes an amendment proposing a limitation on funds in a general appropriation bill for the administration of a tax or tariff.

**Passage of tax rate increases**

(b) A bill or joint resolution, amendment, or conference report carrying a Federal income tax rate increase may not be considered as passed or agreed to unless so determined by a vote of not less than two-thirds of the Members voting, a quorum being present. In this paragraph the term “Federal income tax rate increase” means any amendment to subsection (a), (b), (c), (d), or (e) of section 1, or to section 11(b) or 55(b), of the Internal Revenue Code of 1986, that imposes a new percentage as a rate of tax and thereby increases the amount of tax imposed by any such section.

**Consideration of retroactive tax rate increases**

(c) It shall not be in order to consider a bill, joint resolution, amendment, or conference report carrying a retroactive Federal income tax rate increase. In this paragraph—

(1) the term “Federal income tax rate increase” means any amendment to subsection (a), (b), (c), (d), or (e) of section 1, or to section 11(b) or 55(b), of the Internal Revenue Code of 1986, that imposes a new percentage as a rate of tax and thereby increases the amount of tax imposed by any such section; and

(2) a Federal income tax rate increase is retroactive if it applies to a period beginning before the enactment of the provision.

**Designation of public works**

6. It shall not be in order to consider a bill, joint resolution, amendment, or conference report that provides for the designation or redesignation of a public work in honor of an individual then serving as a Member, Delegate, Resident Commissioner, or Senator.

7. It shall not be in order to consider a concurrent resolution on the budget, or an amendment thereto, or a conference report thereon that contains reconciliation directives under section 310 of the Congressional Budget Act of 1974 that specify changes in law such that the reconciliation legislation reported pursuant to such directives would cause an increase in net direct spending (as such term is defined in section 254(b) of the Congressional Budget Act of 1974) shall be considered not in order whether the measure concerned has been reported from committee. Such points of order shall operate with respect to (as the case may be)—

(a) the form of a measure recommended by the reporting committee where the statute uses the term “as reported” (in the case of a measure that has been so reported);

(b) the form of the measure made in order as an original or joint resolution for the purpose of amendment; or

(c) the form of the measure on which the previous question is ordered directly to passage.

9. (a) It shall not be in order to consider—

(1) a bill or joint resolution reported by a committee unless the report includes a list of congressional earmarks, limited tax benefits, and limited tariff benefits in the bill or in the report (and the name of any Member, Delegate, or Resident Commissioner who submitted a request to the committee for each respective item included in such list) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits;

(2) a bill or joint resolution not reported by a committee unless the chair of each committee of initial referral has caused a list of congressional earmarks, limited tax benefits, and limited tariff benefits in the bill (and the name of any Member, Delegate, or Resident Commissioner who submitted a request to the committee for each respective item included in such list) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits to be printed in the Congressional Record prior to the opening of the House.

(3) an amendment to a bill or joint resolution to be offered at the outset of its consideration for amendment by a member of a committee of initial referral as designated in a report of the bill or joint resolution and the name of any Member, Delegate, or Resident Commissioner who submitted a request to the committee for each respective item included in such list) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits.

(4) a conference report to accompany a bill or joint resolution unless the joint explanatory statement prepared by the managers on the part of the House and the managers on the part of the Senate includes a list of congressional earmarks, limited tax benefits, and limited tariff benefits in the conference report or joint statement (and the name of any Member, Delegate, Resident Commissioner, or Senator who submitted a request to the House or Senate committees of jurisdiction for each respective item included in such list) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits.

(b) It shall not be in order to consider a conference report to accompany a regular general appropriation bill unless the joint explanatory statement prepared by the managers on the part of the House and the managers on the part of the Senate includes—

(1) a list of congressional earmarks, limited tax benefits, and limited tariff benefits in the conference report or joint statement (and the name of any Member, Delegate, Resident Commissioner, or Senator who submitted a request to the House or Senate committees of jurisdiction for each respective item included in such list) that were neither committed to the conference committee by either House nor in a report of a committee of either House on such bill or on a companion measure; or

(2) a statement that the proposition contains no such congressional earmarks, limited tax benefits, or limited tariff benefits.

(c) It shall not be in order to consider a rule or order that waives the application of paragraph (a) or (b). As disposition of a point of order under this paragraph or paragraph (b), the Chair shall put the question of consideration with respect to the rule or order or conference report, as applicable. The question of consideration shall be debatable for 10 minutes by the Member initiating the point of order and for 10 minutes by an opponent, but shall otherwise be decided without intervening motion except one that the House adjourn.

(d) In order to be cognizable by the Chair, a point of order raised under paragraph (a) may be based only on the failure of a report, submission to the Congressional Record, or joint explanatory statement to include a list required by paragraph (a) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits.

(e) For the purpose of this clause, the term “congressional earmark” means a provision or report language included primarily at the request of a Member, Delegate, Resident Commissioner, or Senator providing, authorizing or rec-
ommending a specific amount of discretionary budget authority, credit authority, or other spending authority for a contract, loan, loan guarantee, grant, loan authority, or other expenditure with or to an entity, targeted to a specific State, locality or Congressional district, other than through a statutory or administrative formula-driven or competitive award process.

(f) For the purpose of this clause, the term “limited tax benefit” means—

(1) any revenue-losing provision that—

(A) provides a Federal tax deduction, credit, exclusion, or preference to 10 or fewer beneficiaries under the Internal Revenue Code of 1986, and

(B) contains eligibility criteria that are not uniform in application with respect to potential beneficiaries of such provision; or

(2) any Federal tax provision which provides one beneficiary temporary or permanent transition relief from a change to the Internal Revenue Code of 1986.

(g) For the purpose of this clause, the term “limited tariff benefit” means a provision modifying the Harmonized Tariff Schedule of the United States in a manner that benefits 10 or fewer entities.

10. (a)(1) Except as provided in paragraphs (b) and (c), it shall not be in order to consider a bill or joint resolution, or an amendment thereto or a conference report thereon, if the provisions of such measure have the net effect of increasing mandatory spending for the period of either—

(A) the current year, the budget year, and the four fiscal years following that budget year; or

(B) the current year, the budget year, and the four fiscal years following that budget year.

(2) For the purpose of this clause, the terms “budget year” and “current year” have the meanings specified in section 250 of the Balanced Budget and Emergency Deficit Control Act of 1985, and the term “mandatory spending” has the meaning of “direct spending” specified in such section 250 except that such term shall also include provisions in appropriation Acts that make outyear modifications to substantive statutory or administrative formulas.

RULE XXII

HOUSE AND SENATE RELATIONS

Senate amendments

1. A motion to disagree to Senate amendments to a House proposition and to request or agree to a conference with the Senate, or a motion to insist on Senate amendments to a Senate proposition and to request or agree to a conference with the Senate, shall be privileged in the discretion of the Speaker if offered by direction of the primary committee and of all reporting committees that had initial referral of the proposition.

2. A motion to dispose of House bills with Senate amendments not requiring consideration in the Committee of the Whole House on the state of the Union shall be privileged.

3. Except as permitted by clause 1, before the stage of disagreement, a Senate amendment to a House bill or resolution shall be subject to the point of order that it must first be considered in the Committee of the Whole House on the state of the Union if, originating in the House, it would be subject to such a point under clause 3 of rule XVIII.

4. When the stage of disagreement has been reached on a bill or resolution with House or Senate amendments, a motion to dispose of any amendment shall be privileged.

5. (a) Managers on the part of the House may not agree to a Senate amendment described in paragraph (b) unless specific authority to agree to the amendment first is given by the House by a separate vote with respect thereto. If specific authority is not granted, the Senate amendment shall be reported in disagreement by the Senate managers on the part of the Senate.

(b) The managers on the part of the House may not agree to a Senate amendment described in paragraph (a) that—

(1) would violate clause 2(a)(1) or (c) of rule XXI if originating in the House; or

(2) proposes an appropriation on a bill other than a general appropriation bill.

6. A Senate amendment carrying a tax or tariff measure in violation of clause 5(a) of rule XXI may not be agreed to.

Conference reports; amendments reported in disagreement

7. (a) The presentation of a conference report shall be in order at any time except during the reading of the Journal or the conduct of a record vote, a vote by division, or a quorum call.

(b)(1) Subject to subparagraph (2) the time allotted for debate on a motion to instruct managers on the part of the House shall be equally divided between the majority and minority parties.

(2) If the proponent of a motion to instruct managers on the part of the House and the Member, Delegate, or Resident Commissioner of the other House is in agreement that both support the motion, one-third of the time for debate thereon shall be allotted to a Member, Delegate, or Resident Commissioner who opposes the motion on demand of that Member, Delegate, or Resident Commissioner.

(c)(1) A motion to instruct managers on the part of the House, or a motion to discharge all managers on the part of the House and to appoint new conference managers, shall be privileged after a conference committee has been appointed for 20 calendar days and 10 legislative days without making a report, but only on the day after the calendar day on which the Member, Delegate, or Resident Commissioner offering the motion was reached on a bill or joint resolution which has not been reported by a committee until the third calendar day (excluding Saturdays, Sundays, or legal holidays) after the day on which such measure has been available to Members, Delegates, and the Resident Commissioner.

8. (a)(1) Except as specified in subparagraph (2), it shall not be in order to consider a conference report until—
(A) the third calendar day (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such a day) on which the conference report and the accompanying joint explanatory statement have been available to Members, Delegates, and the Resident Commissioner in the Congressional Record; and
(B) copies of the conference report and the accompanying joint explanatory statement have been available to Members, Delegates, and the Resident Commissioner for at least two hours.

(2) Subparagraph (1)(A) does not apply during the last six days of a session of Congress.
(b)(1) Except as specified in subparagraph (2), it shall not be in order to consider a motion to dispose of a Senate amendment reported in disagreement by a conference committee until—
(A) the third calendar day (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such a day) on which the report in disagreement and any accompanying statement have been available to Members, Delegates, and the Resident Commissioner in the Congressional Record; and
(B) copies of the report in disagreement and any accompanying statement, together with the text of the Senate amendment, have been available to Members, Delegates, and the Resident Commissioner for at least two hours.

(2) Subparagraph (1)(A) does not apply during the last six days of a session of Congress.

(3) In the consideration of a Senate amendment reported in disagreement by a conference committee on a general appropriation bill, a motion to insist on disagreement to the Senate amendment shall be preferential to any other motion to dispose of that amendment if the original motion offered by the floor manager proposes to change existing law and the motion to insist is offered before debate on the original motion by the chair of the committee having jurisdiction of the subject matter of the amendment or a designee. Such a preferential motion shall be separately debatable for one hour equally divided between its proponent and the proponent of the original motion. The previous question shall be considered ordered on the preferential motion to its adoption without intervening motion.

(c) A conference report or a Senate amendment reported in disagreement by a conference committee that has been available as provided in paragraph (a) on request may be considered as read when called up.

(d)(1) Subject to subparagraph (2), the time allotted for debate on a conference report or on a motion to dispose of a Senate amendment reported in disagreement by a conference committee shall be equally divided between the majority and minority parties.

(2) If the floor manager for the majority and the floor manager for the minority both support the conference report on disposition of the time for debate thereon shall be allotted to a Member, Delegate, or Resident Commissioner who opposes the conference report or motion on demand of that Member, Delegate, or Resident Commissioner.

(e) Under clause 6(a)(2) of rule XIII, a resolution proposing only to waive a requirement of this clause concerning the availability of reports to Members, Delegates, and the Resident Commissioner may be considered by the House on the same day it is reported by the Committee on Rules.

9. Whenever a disagreement to an amendment has been committed to a conference committee, the managers on the part of the House may propose a substitute that is a germane modification of the matter in disagreement. The introduction of any language presenting specific additional matter not committed to the conference committee by either House does not constitute a germane modification of the matter in disagreement. Moreover, a conference report may not include matter not committed to the conference committee by either House and may not include a modification of specific matter committed to the conference committee by either or both Houses if that modification is beyond the scope of that specific matter as committed to the conference committee.

10. (a)(1) A Member, Delegate, or Resident Commissioner may raise a point of order against nongermane matter, as specified in subparagraph (2), before the commencement of debate on—
(A) a conference report;
(B) a motion that the House recede from its disagreement to a Senate amendment reported in disagreement by a conference committee and concur therein, with or without amendment; or
(C) a motion that the House recede from its disagreement to a Senate amendment on which the stage of disagreement has been reached and concur therein, with or without amendment.

(2) A point of order against nongermane matter is one asserting that a proposition described in subparagraph (1) contains specified matter that would violate clause 7 of rule XVI if it were offered in the House as an amendment to the underlying measure in the form it was passed by the House.

(e) If, on a division of the question on a motion described in paragraph (a)(1)(B) or (C), the House agrees to recede and concur, the Resident Commissioner may raise a point of order against nongermane matter, as specified in paragraph (a)(2), before the commencement of debate on concurring in the Senate amendment, with or without amendment. A point of order under this paragraph shall be disposed of according to the preceding provisions of this clause in the same manner as a point of order under paragraph (a).

11. It shall not be in order to consider a conference report to accompany a bill or joint resolution that proposes to amend the Internal Revenue Code of 1986 unless—
(a) the joint explanatory statement of the managers includes a tax complexity analysis prepared by the
RULES OF THE

Joint Committee on Internal Revenue Taxation in accordance with section 4022(b) of the Internal Revenue Service Restructuring and Reform Act of 1998; or
(b) the chair of the Committee on Ways and Means causes such a tax complexity analysis to be printed in the Congressional Record before consideration of the conference report.

12. (a)(1) Subject to subparagraph (2), a meeting of each conference committee shall be held by the House in open session.
(b) In open session of the House, a motion that managers on the part of the House be permitted to close to the public a meeting or meetings of their conference committee shall be privileged, shall be decided without debate, and shall be decided by the yeas and nays.

3. In conducting conferences with the Senate, managers on the part of the House should endeavor to—
(A) that meetings for the resolution of differences between the two Houses occur only under circumstances in which every manager on the part of the House has notice of the meeting and a reasonable opportunity to attend;
(B) that all provisions on which the two Houses disagree are considered as open to discussion at any meeting of a conference committee; and
(C) that papers reflecting a conference agreement are held inviolate to change without renewal of the opportunity of all managers on the part of the House to reconsider their decisions to sign or not to sign the agreement.

4. Managers on the part of the House shall be provided a unitary time and place with access to at least one complete copy of the final conference agreement for the purpose of recording their approval (or not) of the final conference agreement by placing their signatures (or not) on the sheets prepared to accompany the conference report and joint explanatory statement of the managers.

(b) A point of order that a conference committee failed to comply with paragraph (a) may be raised immediately after the conference report is read or considered as read. If such a point of order is sustained, the conference report shall be considered as rejected, the House shall be considered to have insisted on its amendments or on disagreement to the Senate amendments, as the case may be, and to have requested a further conference with the Senate, and the Speaker may appoint new conferees without intervening motion.

13. It shall not be in order to consider a conference report the text of which differs in any way, other than clerical, from the text that reflects the action of the conferees on all of the differences between the two Houses, as recorded by their placement of their signatures (or not) on the sheets prepared to accompany the conference report and joint explanatory statement of the managers.

5. A Member, Delegate, Resident Commissioner, officer, or employee of the House may not accept an honorarium for a speech, a writing for publication, or other similar activity, except as otherwise provided under rule XXV.

8. A Member, Delegate, Resident Commissioner, or officer of the House may not retain an employee who does not perform duties for the offices of the employing authority commensurate with the compensation such employee receives.

(b) In the case of a committee employee who works under the direct supervision of a member of the committee other than a chair, the chair may require that such member affirm in writing that the employee has complied with clause 8(a) (subject to clause 9 of rule X) as evidence of compliance by the chair with this clause and with clause 9 of rule X.

11. A Member, Delegate, or Resident Commissioner may not authorize or otherwise allow an individual, group, or organization not under the direction and control of the House to use the words “Congress of the United States,” “House of Representatives,” or “Official Business,” or any combination of words thereof, on any letterhead or envelope.

12. (a) Except as provided in paragraph (b), an employee of the House who is required to file a report under rule XXVI may not participate personally and substantially as an employee of the House in a contact with an agency of the executive or judicial branches of Government with respect to nonlegislative matters affecting any nongovernmental person in which the employee has a significant financial interest.

(b) Paragraph (a) does not apply if an employee first advises the employing authority of such employee of a significant financial interest described in paragraph (a) and obtains
from such employing authority a written waiver stating that the participation of the employee in the activity described in paragraph (a) is necessary. A copy of each such waiver shall be filed with the Committee on Ethics.

13. Before a Member, Delegate, Resident Commissioner, officer, or employee of the House may have access to classified information, the following oath (or affirmation) shall be executed:

The Clerk shall make the surnames a matter of public record, causing the names of each Member, Delegate, or Resident Commissioner who has signed the oath during a week (if any) to be published in a portion of the Congressional Record designated for that purpose on the last legislative day of the week and making cumulative lists of such names available each day for public inspection in an appropriate office of the House.

14. A Member, Delegate, or Resident Commissioner may not, with the intent to influence on the basis of personal friendship or threatened to take or withhold, or offer or threaten to take or withhold, an official act; or

15. (a) Except as provided in paragraph (b), a Member, Delegate, or Resident Commissioner may not use personal funds, official funds, or campaign funds for a flight on an aircraft.

(b) Paragraph (a) does not apply if—

(1) the aircraft is operated by an air carrier or commercial operator certified by the Federal Aviation Administration and the flight is required to be conducted under air carrier safety rules, or, in the case of travel which is abroad, by an air carrier or commercial operator certified by an appropriate foreign civil aviation authority and the flight is required to be conducted under air carrier safety rules;

(2) the aircraft is owned or leased by a Member, Delegate, Resident Commissioner or a family member of a Member, Delegate, or Resident Commissioner; or

(c) in this clause—

(1) the term "campaign funds" includes funds of any political committee under the Federal Election Campaign Act of 1971, without regard to whether the committee is an authorized committee of the Member, Delegate, or Resident Commissioner involved under such Act.

(2) the term "family member" means an individual who is related to the Member, Delegate, or Resident Commissioner, as father, mother, son, daughter, brother, sister, husband, father-in-law, or mother-in-law; and
